

PUPILS' £600K PERSONAL ACCIDENT INSURANCE SCHEME

SCHEME DETAILS AND KEYFACTS EFFECTIVE FROM WINTER TERM 2013

Benefits for permanent disabilities or death resulting from an accident.

GENERAL INFORMATION

The need for personal accident insurance has been tragically emphasised by certain serious injuries that have occurred to pupils. In many cases, there is no entitlement to financial compensation because it is no one individual person's fault that a pupil has suffered permanent disability. This scheme provides a scale of benefits for permanent disabilities, a list of which is set out overleaf.

HOW THE SCHEME IS OPERATED

This is an optional insurance for which the school provisionally adds the termly premium to the fee payer's account. FEE PAYERS MUST ADVISE THE SCHOOL IN ADVANCE OF THE BEGINNING OF THE TERM IF THEY DO NOT WANT THEIR CHILD INCLUDED IN THE SCHEME, otherwise cover will automatically commence.

Once a child is included in the Scheme, participation can be discontinued for any child, from the start of any term, by the fee payer giving advance written notice to the school.

WHEN COVER BEGINS AND ENDS

Cover commences for each pupil from the first day of the first term, including the duration of the uninterrupted journey to the school, provided the premium has been settled by the parent before that date; otherwise cover will commence from the time the first premium is received by the school. Cover will continue until the pupil leaves the school, provided the school continues to renew the scheme at the beginning of each winter term (September), the pupil continues to be included in the scheme and the premium paid.

GENERAL DEFINITIONS

Bodily injury – injury that is caused solely by accidental means and that, independently of any other cause, within 24 months from the date of the accident results in the insured pupil's death, dismemberment or permanent disability.

Dismemberment – a) the loss or loss of use of one or more limbs **or** b) the loss or loss of sight of one or both eyes.

Disappearance – if the insured pupil disappears and after 12 months it is reasonable to believe that such an insured pupil has died as a result of bodily injury, the death benefit shall become payable subject to a signed undertaking that if the belief is subsequently found to be wrong such death benefit shall be refunded to the insurers.

Effective time – the duration of each term for which the premium has been paid for a pupil. If the insured pupil is not returning to the school:

- a) because he/she is transferring to another primary or secondary school within the United Kingdom, the cover will continue until the commencement of the uninterrupted journey to the new school **or**
- b) because he/she has completed his or her secondary education or is transferring to another school outside the United Kingdom, cover will be provided during the following holiday break only while the insured pupil participates in any official organised school activity, including the uninterrupted journey to the place of activity and the uninterrupted journey home. Cover will cease when the insured pupil returns home or at midnight before the commencement date of the new term, whichever is sooner.

For any reason other than a) or b) above, the cover will terminate after the uninterrupted journey home at the end of the insured pupil's last day as a pupil of the school.

Exposure – injury to the insured pupil as a result of unavoidable exposure to the elements shall be deemed to have been caused by bodily injury.

Insured pupil – any pupil, attending the school, for whom the appropriate premium has been paid and accepted by the official managers on behalf of the insurers.

Term – the duration of one of the three periods of attendance at the school during a school year, including the uninterrupted journey to the school prior to commencement of the period plus the holiday break that immediately follows.
